ALLSTATE FLOORS

New Featured Services

Advanced
Floor Removal
System

Ride-On Floor Scraper

Ride-On Floor Strippers provide high production removal of a wide range of floor coverings including, but not limited to carpet, ceramic, wood, tile, resilient floors and adhesives, saving both time & money. The narrow width allows access through standard doorways.

Scarifier

Designed to remove knock-down texture systems, paint, epoxy coatings, curled joints, hazards, thermoplastics, carpet adhesives and other applications.

Substrate Solutions

Preferred Installer that specializes in Concrete Toppings, and Moisture Control
